David McAuley Chief Executive said

*"It is an honour that our work to tackle UK poverty and hunger has been recognised, with this achievement celebrating the incredible work of our staff and volunteers who change lives in communities across the UK and make what we do possible."*

The Trussell Trust were delighted and humbled to receive two accolades at The Charity Awards ceremony in June

*This prestigious award reflects the dedication and compassion shown by people who are serving their communities in foodbanks across the UK.*

They achieved a category award for Social Care and Welfare and were overall winner!

*We accept this award on behalf of the 40,000 volunteers who give their time so we can provide the most effective service to people thrown into crisis every day".*

These awards serve to remind us that we have an important role to play in helping to stop UK hunger and we must thank everyone who help us every day to get just a little bit closer to making that happen by giving food, your time and financial support.
